The Nissan Patrol 4WD Club of NSW & ACT Inc

The Nissan Patrol Four Wheel Drive Club of NSW & ACT Inc was started by a group of Four Wheel Drivers in 1976. Since then, the Club has prided itself on allowing Members to follow a common interest of enjoying the outdoors in a way that takes people to places they have only dreamed of going to.

Although named for the Nissan Patrol, the Club accepts all makes of four-wheel-drive vehicles which are capable of completing the Club's driver training course.

The Club caters for people of all ages and from all walks of life. Families out for a fun, quiet weekend, Retirees planning the "big trip" and the more adventurous four wheel drivers that seek an adrenalin rush are all catered for in a safe, friendly environment.

All Club trips are graded to allow Members to choose one that suits their level of driver or vehicle ability, confidence or comfort. Varying from day trips to multi week "treks", our trips are led by experienced members, trained in trip organisation. Each November the Club hosts the Nissan Trials, the premier inter-club event on the 4WD Clubs competition calendar. The Nissan Trials tests the skill of drivers, navigators and vehicles to the limits.
